GOLF PAWS IS A GRASSROOTS CONCEPT THAT GREATLY BENEFITS OUR PROGRAM.

We would not be here today without the backing and support of Golf Paws. The funding we receive is essential to helping build the women's golf team to be one of the best in the country.

GOLF PAWS IS A TREMENDOUS ASSET FOR THE GOLF PROGRAM!

This spring marks my 38th and final season at the helm of the Clemson men's golf program. Please know how grateful I am for your continued support that you have shown to myself and our young men over the past four decades and more recently our young women as well! Thanks to Golf Paws we have been able to offer many valuable technologies that are essential to our golf team being one of the best in the country. We thank everyone who donates to Golf Paws and want donors to know their desire to provide our program with the best is noticed every single day we are on the course!
