Clemson Rowing

“During a year filled with uncertainty, we could always count on the gracious, unwavering support of IPTAY donors. The ability to travel to compete at high-level races prepared our team for our best finish in the ACC Championships in five years. Additionally, with our IPTAY-funded scholarship pool, we were able to recruit top student-athletes who are excited to build upon this year’s success.”

PLAYER DEVELOPMENT & FACILITIES UPDATES

The Clemson University Rowing program has a proud tradition of success that includes four CRCA All-Americans, an ACC title and the highest point total in ACC Regatta History (63 points) in the past decade. As we continue the expansive growth of collegiate athletic success, it is important the Clemson Rowing continues to train and compete at an elite level.

Rowing has been an investment over the past decade for colleges across the nation. Institutions have invested in player and team equipment to ensure the safety and health of student-athletes while also considering cost saving measures over time. Four primary investments include a launch motorboat, nutritional and medical staff, facility upgrades and a west coast trip.

Main Priorities

LAUNCH MOTORBOAT

A motorized launch boat for coaches to use during training.

NUTRITIONAL AND MEDICAL STAFF

Additional staff to support and educate student-athletes on safety and health measures.

FACILITY UPGRADES

Locker room, lounge area and training equipment additions and upgrades for the Rowing facility. Creates a competitive advantages in recruiting and training the most elite student-athletes.

WEST COAST TRIP

The opportunity to gain a competitive advantage by traveling to the west coast to train.
